

Jacek Supernak

Front End Developer based in London

I specialise in Front End Development with a focus on mobile first responsive design.

I am skilled in working in Agile/Scrum methodology and I thrive in a team environment.

Experience

Front End Developer, January 2022 - June 2022

Chingu

Participated in three remote team projects. Each of the project was a built in an international team of three to five developers over a span of seven to nine weeks and was developed using Agile Methodology.

- Developed a messenger app using MongoDB, Express, React, NodeJS, Redux, Sockets.io.
<https://github.com/chingu-voyages/v39-bears-team-11>
- Developed an app idea finder using React, JavaScript, SASS.
<https://github.com/chingu-voyages/v38-geckos-team-04>
- Developed a demo of a gratitude diary application using JavaScript, CSS, HTML5.
<https://github.com/chingu-voyages/v37-toucans-team-02>

Junior Front of House Manager, July 2015 - December 2021

Wagamama

- Gained experience working in Brighton, Gatwick Airport, St Paul's and Clink Street branches.
- Progressed through various positions from kitchen porter, line chef, front of house team member, blackbelt (supervisor) to junior front of house manager.
- Trained supervisors and team members.
- Maintained high standards of customer service during high-volume, fast paced shifts.
- Maintained good relationship between the back of house and the front of house staff members.
- Resolved customer complaints.
- Organised reunions combined both of former and present employees.

Freelance Projects

KropkasBox - comic strip website

- Developed a comic strip website using HTML5, CSS, JavaScript
- Scored 100% on both Accessibility and Best Practices in Light House
- Made the website responsive using flexbox.
